I am informed that most of these members would have joined the OBA long ago had there been an effective communication system as proposed by me early this year. They are also concerned about the condition in the College and wish to make their own contribution.

I therefore trust these Applications will be transmitted early to the appropriate authorities for verification etc so that the processing is completed early and the Members informed of their admission.

I have already submitted 04 Applications with my letter of August 29,2001 and a further 10 Applications with my letter of September 04,2001.

If there is any logistics problem about intimating admission to each member, please inform me. I can give you an undertaking that I shall inform these Old Boys, in writing that they have been admitted.

With kind regards,

Yours sincerely,

LAKSHMAN JAYATILAKA
