B. COLLEGE MAGAZINE

A proof of the College Magazine handed over by the Printer will be available at the Meeting. The final printing could be concluded within 2 weeks, of the proof being approved. None of the Reports that usually appear in the Magazine have been submitted though requests have been made from as far back as June 2002 and thereafter from time to time. We cannot do anything further in that connection.

The Bishop has suggested that the Address made by our Senior Vice President Mr.P S Duleepkumar at the Thanksgiving and Commemoration Service in respect of past Headmasters and Fr.A J Foster held in Colombo on December 03,2002 be placed in the College Magazine for the benefit of the students and the staff. Thus, this is also being included.
