

REPORT OF THE SUB-COMMITTEE FOR NEWSLETTERS
October 03, 2002

A. NEWSLETTERS

1. Issue No.03 of the Newsletter has been finalized and is with the Printer. We have included in the front cover as suggested by the Ex-Co earlier, the month of issue. This Issue contains a list of the 84 Members whose names are in the Register without addresses. An amalgamated list of Members numbering 83 who appear to have left their addresses without notifying the Association is also given. It is hoped that those who may be aware of the present addresses of these 167 Members will make some effort to trace them and give them to the Secretary for necessary action. Also included in the Newsletter is a list of the 31 Members who have joined the Association from March 02,2002 to date. As there have been certain changes in the composition as well as addresses and telephone numbers of Members of the Ex-Co, an updated list of the Ex-Co has been included in this Issue of the Newsletter. As suggested by the Senior Vice President, excerpts from the Report of the Head Master and the Speech of the Chief Guest on the occasion of the College Prize Giving have been included. This issue is also in the nature of a resume of the progress made and the several matters that are yet to be attended to.

B. College Magazine

The Secretary will be discussing with the Headmaster whether it would be possible to expedite the delivery to him of material in order to commence work on the College Magazine. It is hoped that the Ex-Co Meeting at Gurutalawa on October 05,2002 will facilitate meeting Masters in charge of Sports Activities as well as the Secretaries of Clubs and Societies, Captains of Games et al in order to obtain their Reports and also to collect Articles from Students.
